With the weather outside changing, now would be a good time to double check your child's extra clothes at daycare to be sure they are weather appropriate & the right sizes. Be sure to bring in hats, mittens & warmer coats etc... As we will continue to go outside daily, weather permitting.

It is likely we will start seeing more sickness (colds, flu, etc.) Please be cautious of any signs or symptoms of illness in your child. Remember if your child is sent home with fever, vomiting or diarrhea they may not return to daycare until symptom free

(without the use of medication) for a full 24-hour period. If they are sent home sick, please be sure to take home their bedding to be laundered to prevent the spread of illness.

Bedding must go home every Friday to be laundered to avoid a \$10 additional weekly laundering fee for us to wash it.

SAVE THE DATE: Christmas Open Houses at all 3 centers is tentatively set for Wednesday December 12th.

More details to follow as the date approaches.

FEELING THANKFUL

Our themes this month are based on giving thanks and being thankful. Our friends really enjoy making pictures and thank you cards for our Veterans and learning about what our soldiers do for us.

If you know a soldier or a unit we can mail our cards and pictures to please get that information to your centers director/assistant director. Also if you know a soldier who would come in

and talk to our friends we would love to set that up. Get us the contact information or give our information to them to set up with us.
